

"HEAR'S" WHAT'S HAPPENING...

by Linda Petersen

We ended March with a great Corvette Annapolis showing at the G-Burg Rallye. We had 8 cars at the rallye AND came away with 5 sets of trophies. Our winners in the Poker Rallye were: 1st Place for Pat & Kathy Sharkey, 3rd Place for Mike McFadden & his partner, and 6th place for Steve Johnson and Joe Barney. In the TSD (time, speed, distance) rallye winners were: 2nd place for Pat & Kathy Sharkey and 5th Place Mike McFadden & partner. Congratulations to all ~~ and especially to first time "rallye-ites" Pat & Kathy who left with 2 trophies each! And thank you to Steve and Joyce Angell for leading the pack to Frederick.

April is bringing us to our second, but by no means last, food-focused event for this year. On April 15th, we'll be leaving Wachovia Bank at 12:00 noon and caravanning to Johnny Boy's BBQ on Route 301 in LaPlata. Woody Clagg says it's good BBQ - and he says it like a man who knows good BBQ! If you haven't signed up yet, we'll again be passing around the sign up sheet at the April 10th meeting. We will be asking you to let up know if you're going to join the caravan from Wachovia Bank or if you're planning to meet us at the restaurant. We don't want to be waiting at the bank for you, worrying about what dire fate might have befallen you or planning a dire fate on you for delaying our food fest!!

Also in April is our first rallye for this year. Steve Johnson is planning a Triple Rallye on April 28th starting at the Truman Parkway Park & Ride. You should have gotten the registration information in a recent e-mail to members, or you can get it on-line by clicking on the Calendar section of our club home page. I'm sure Steve will have more details to share at the April meeting- or he won't but will just give us teasers!

We've made one change in our activities plans. We're cancelling the Niagara Falls/Toronto trip for this year, but will likely plan one for next year. Hopefully, none of you who had planned to go will be too disappointed. We do have two other events planned for June, but since neither of them are food-focused, maybe we can slip in a restaurant trip or a club jaunt to Brewsters for ice cream.
