THE PRESIDENT'S LETTER by Sherry Arigo

Finally, spring has arrived!! 'Couldn't get here fast enough. Now our activities will really begin.

At our March meeting we had Mike Weil from NCCC and President of the Bel Air Corvette Club speak to us regarding our insurance with K&K. He was very informative and answered a lot of questions that our members had. As members of NCCC we are all insured for any personal property we damage during any of our published events. I think Mike cleared up a lot of concerns many members had regarding K&K insurance. However, this insurance does not replace your personal auto policy.

Ten of us from the club went on our Caribbean cruise that departed from San Juan. We visited Aruba, St. Maarten, St. Thomas and Curacao. We had so much fun and laughed until our sides hurt. Dean and Anita took "Vette" aka the Kubuttko Award. He was hidden in the suitcase. He was the talk of the dinner table and of course he sat right in the middle of it every night. Every day he had a different hat for each activity. Formal night he sported a black top hat, around the pool he had his beach towel and sun visor. And, on the beach, he even had a straw hat and bottle of beer! He was getting a little lonely, so Anita bought him and "island girl" whose name is "Cora". After Cora's appearance at dinner with Vette, the two of them never left the room. Of course all of this crazy stuff kept us laughing, especially when Vette mooned everyone he passed on the ship. He has become quite a sport of the cruising world.

This past weekend G'Burg had their rallye, which many of our members attended and enjoyed the day traveling through the beautiful countryside in Frederick.

On April 15th, we are caravanning to Johnny's BBQ in Calvert County. We will be leaving WB promptly at noon. Woody and Janine Clagg will be leading the way to a delicious BBQ lunch. 'Should be a lot of fun. Don't forget to bring your walkie talkies. You still have time to sign up to go at our April 10th meeting.

I would like to thank Chuck Claypool for his service to the club in the past few years for taking care of "Meet the Members" segment of our newsletter. Chuck has decided to give up the job and pass it on to someone else. It entails interviewing a new (or old) couple/member each month. We would like to know the background of the members, their families and how they got interested in corvettes. This is a portion of the newsletter that I personally look forward to each month. I think it helps us get to know our members and makes them feel welcome in our club. I really would like this to continue so hopefully someone will step up to the plate. If you are interested in taking on that position, please let me know.

Also, please keep these dates open for our club's rallyes, April 28th and June 30th. Steve Johnson is putting together the April (Triple) rallye and Sonny Brown is taking care of the June rallye. It's a lot of work putting together a rallye, so they really need our support by all of us showing up and taking part. There are trophies to be given out at the restaurant at the end of the rallye. If you like a lot of laughs, you'll enjoy these rallyes. So at the meetings, please sign up to attend.

Let's get those vettes uncovered and shined up and ready to go, because IT'S SPRING!

Get Ready, Get Set, Go Vette,

Sherry
