

"HEAR'S" WHAT'S HAPPENING...

by Linda Petersen

We're into the dog days of August, but our activities are anything but dogs! First, the annual Club Picnic and Crab Feast will be held on August 5th @ 1:00 pm at Steve and Joyce Angell's house. I'm sure you've all gotten the e-mails with directions (also in this newsletter). Remember to bring your own drinks and lawn chairs! The picnic is always a great time for everyone to sit back, talk for hours and overeat and oversun!

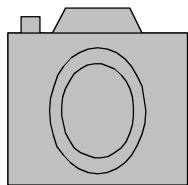

On August 24th -25th we'll plan caravans to Corvettes at Carlisle- leaving bright and early each morning. If you've never gone, you've been missing an amazing experience-- so plan to join us this year or head up on your own. Some members drive up and back each day, some go for one day, some stay overnight. We'll pass out the sign up sheets and go over more details at the August meeting.

After a very busy set of summer months, we have just one event planned for September, but it's a biggie- the September 16th Fuddrucker's/Wachovia show. We'll be providing a lot more information about the show at the August meeting.

TAGS AND FLAGS...

Corvette Annapolis license plates are available from the MVA...if you are interested please contact Sherry. She has a form that must be completed and signed by her to verify your club membership.

We also have CA and American flags for the cars. The set is \$25, but if purchased separately the CA flag is \$20 and the American is \$15. These flags will be displayed for the Ocean City boardwalk parade.

If anyone is interested in purchasing the photograph of the club/cars taken outside of Bonefish Grill on July 15th, please let Sherry know asap. Cost is \$14.00 each
