Report of the 2007 Board Meeting:

The following items and issues were discussed:

1. Charity will continue to be AAMC. Christine VonBocker will check with the Oncology Department to determine their needs.

2. Club Points were adjusted for the coming year. Copies are available at the meetings or through Jim DeSarno.
3. NCCC points...Corvette Annapolis was 8th in the East Region. It was suggested that we participate in other club's sanctioned events to gain more points to help us get a better choice of show dates.
4. Donuts and Coffee at shows will be for club workers only.
5. The club will not purchase tee shirts to sell at shows. They are too expensive and too hard to sell.
6. The board decided against the suggestion to purchase and raffle an engine in a crate because of the cost of the initial outlay without a guaranteed return.
7. The board decided to continue the 50/50 raffle with the drawing at the September show. It was a great money maker this past year.
8. The board reemphasized the membership requirement to attend two events before being allowed to join.

New Meeting Place for Trips: Starting in January, our new meeting place for trips and events will be Wachovia Bank on Jennifer Road next to Fuddruckers. Meet in the rear of the building during banking hours. During non-business hours we can meet in the front. So, any time you see "Meet at **WB**" that means meet at the bank.

Corvette Tech Talk and FYI: Frank Cimba discussed the '05/'06 roof panel recall by GM. He also suggested that we have an "Exhaust Wars" at a Spring meeting so that we can hear the difference between the various models of exhaust systems for our Corvettes.

Joe Barney's FYI report was titled "Life Begins at 80". He described high speed driving schools.

Charity: The television that was approved at the last meeting was purchased for the AAMC Infusion Center. A Thank You letter has been received.

50/50 Drawing: Won by Terry Ricer. Barry Kohan won a Tee shirt.

Meeting Treats: Provided by Dean Moore

Meeting Adjourned at 8:00 P.M.
