THE PRESIDENT'S LETTER by Sherry Arigo

I certainly hope you are enjoying your vette as much as we are. We can't seem to use it enough. I just love this time of year when we are cruising along with the top down. It's like being in another world.

Some of our club members enjoyed a Saturday of cruising in a parade for the Town of Columbia's 40th Anniversary. We started out at WB and caravanned to the Columbia Mall (of course I thought I died and went to heaven being at the Mall that early in the morning). We really saw some sights; after all, it was a kinetic parade. One of the cars was totally loaded, and I mean loaded, with all kinds of junk and arms sticking out of it. There were arms everywhere. The guy must have had a fetish with doll arms or something. But anyway, there was no competition with his car and our "corvettes". Of course, ours looked better. We decorated our cars with red, white, and blue streamers and put stars on the windshields along with our CA banners. But to top it off, all of us wore 4th of July top hats. Yeah, we had some real class going on!

After the parade, which was every bit of 1/8th mile long, we caravanned to a steak house in Westminster, Bullock's Steak House. John and I used to live in Carroll County and always enjoyed the homemade food there. Their salad bar is in an old covered wagon. We enjoyed dinner and everyone's company and then headed home. We had a great day and lots of laughs, but what else do we do better than that?

The month of July is going to be very busy. Starting with the 4th of July pool party, then on to the Annapolis parade, which we have 20 cars going so far. July 8th is our Waugh Chapel Corvettes and Classics Fun Show, our meeting is July 10th, Bonefish Grill 16th Anniversary Party is July 15th, Natural Bridge, Virginia weekend is July 21-22 and July 29th we'll go to Capital Raceway to watch our own Frank Cimba race his Nova. So we are very busy, but having loads of fun. Make sure you join us.

Don't forget our annual crab feast on August 5th at the home of Steve and Joyce Angell. We always have a great time at our crab feast, so please sign up to come and bring a dish along with your beach towel and thong (I mean bathing suit).

The Ocean City weekend will be here before you know it, so please go on line to www.freestatecorvette.com. You must register to drive down the boardwalk. Please don't register for dinners with their club, our own club is doing it's own thing, Friday night, Saturday night and Sunday brunch. The Saturday night dinner is a luau, so don't forget your grass skirts and coconuts, (please wear something under the grass skirts for heavens sake). Just kidding, no grass skirts or coconuts. I can see you all now going online looking for grass skirts and coconuts.

Please sign up for whatever catch's your fancy, we try to please everyone and if you have any suggestions for activities, please jot them down for the meeting in July.

Looking forward to a busy month of July with all of you!

Get Ready, Get Set, Go Vette,

Sherry
