YOU MIGHT BE A CORVETTE OWNER IF: (Part 2)

1. If instead of your spouse, you carry a picture of your car in your wallet.
2. You spend more time vacuuming the 20 square feet of carpet in your vette than your 2000 sq. ft house.
3. You cause traffic jams as you maneuver your Vette around a puddle of water in the street.
4. You hang pictures of vettes in your garage so she's not lonely.
5. When nobody is looking you talk to it and swear that it understands you.
6. You feel you must scrub the underside, you never know, some mechanic might get the wrong impression of you if it's dirty.
7. You think all Japanese cars are junk driven by young punks that want to race you.
8. SUV's aggravate you because they are bigger than you are.
9. You get very depressed if you've been cruising all day and stopped many times but nobody comes up and says..."Wow, nice Vette!"
