THE PRESIDENT'S LETTER by Sherry Arigo

The winter is winding down and fortunately it is a mild one. But it can't end fast enough so we can get those 'vettes on the road.

I've had more than my share of meetings this past month with the various committees. A few weeks ago we had the shows, rallyes and registration committees meeting at my house. We had a great turn out and everyone was more than willing to step up to the plate to take on an event. We have all of the positions filled for Chair and Co-Chairs for both rallyes and all three shows! But of course, the day of the event we need all of the workers we can get. Needless to say, there's plenty of work to go around for everyone.

At the Board meeting we decided to donate 4 infusion chairs to Anne Arundel Medical Center Infusion Center. We will also have plaques made which will read "Donated by Corvette Annapolis 2005". We will also get a plaque made for the year 2004 donation of the ice machine. In the spring we will be meeting for a club photo with the donation for the magazine "Vital Signs". At the meeting we also decided to get six royal blue tablecloths made with Corvette Annapolis stenciled on in white and outlined in red. They will be used for all of our events at the registration, trophy and auction tables. We will also be getting two memo boards for the shows which will show directions at the registration tables and a time line of events for that show.

Our February 14th meeting had a nice turn out; I announced that throughout the year the club would be paying for one of the brunches, dinners or meals after an event. However, no one will know which one it is until we are ready to pay the bill at the restaurant. I will be the only one who knows which one it will be.

On February 26th, thirty-eight of us went to the Bonefish Grill in Glen Burnie. They treated all of us with a complimentary dinner. This gave us a chance to try their martinis, wines, beer and of course their appetizers and great dinners. I can't say enough of how well we were treated. We presented the restaurant with a Corvette Annapolis appreciation plaque. After that fine meal I assume everyone got in their cars, loosened their belts and headed home for a little siesta!

Since we're on the subject of food, our club's favorite past time, on March 12th we are going to brunch at Skippers Pier. We will be leaving L&T at 10:15. Call Dean to sign up and go with us.

Now that spring is right around the corner, we are getting into gear with our shows and rallyes. So start getting those 'vettes in tip top shape, because we have a long trip to Nashville that you don't want to miss! Some of us are even going to Memphis!

Thanks to all of you for volunteering in some form or another, we've had a great turnout for all of the meetings and for all of our events. Even if you didn't come to a meeting, there will be plenty to do at the events, all you have to do is show up and we will put you to work.

I think I better get out my "pink hat" and get it ready to go, because we have a lot to do this year!

Get Ready, Get Set, Go 'Vette!!
Sherry
