

"HEAR'S" WHAT'S HAPPENING...

by Linda Petersen

The last two months have featured a couple of great Club activities (the always popular brunch at Jaspers and the bowling party-which several members couldn't attend since they didn't have the SPARE time to STRIKE out in that direction.) What we haven't had was great Corvette driving weather. Let's hope we get gorgeous spring days for our next three activities so we can get our equally gorgeous cars out on the road.

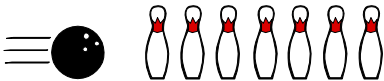

Next up for Corvette Annapolis is what we hope will be great turn out the the G'Burg **Double Rallye on Saturday, March 24.** The rallyes are Time-Speed-Distance and Poker rallyes. The registration cost is \$15 for one rallye and \$25 for both. We'll plan to leave Wachovia Bank at 8:00 AM (although Steve & Joyce Angell are arranging this event and, if Joyce leads the way and sets the pace we could probably leave a lot later and still be there for the opening of registration!) We'll caravan to the starting point-the Frederick Towne Mall in Frederick, MD. We'll circulate the sign up sheet again at the March meeting and provide directions. This will be a fun way to thank G'Burg for its support for our shows and events. Plus, we're all likely to win great prizes!

Believe it or not, the next activity brings us into April- and we surely should be able to count on good Corvette weather! Woody Clagg is arranging a fine caravan on **April 15th** to LaPlata, where we'll eat at Johnnie's BBQ. More details to come on cost, time and route.

Also in April, we'll have the first of the Corvette Annapolis rallyes. Steve Johnson is organizing a **Triple Rallye on April 28th.** We'll be starting off from the Truman Parkway Park & Ride. More details to come, but it's bound to be fun and bound to end with a great meal!

Thanks to **Sherry Arigo** and **Anita Snyder** for organizing the great bowling party. Everyone enjoyed it...lots of fun! May we suggest Ben-Gay, heating pads and ice packs as door prizes for next year??!!

The brunch & show at Toby's scheduled for March 18th has been cancelled.
