President's Report

The President updated us on the research about possibly incorporating the club.

A report was made on the cost of Directors and Officers insurance to cover the liability of the board. Following a discussion, it was decided to research this issue further.

The new procedure for renewal of membership dues was presented. Bills will be mailed to members and will include a return envelope for remittance to the Treasurer. All dues must be paid in September because the NCCC Deadline is October.

The September 16th Show will change venues from Fuddruckers to the Green Turtle Restaurant in the South River Colony Shopping Center in Edgewater. This was necessitated because we were denied permission to use the Wachovia parking lot. We are need of sponsors for the trophies (\$50 each) and vendors (\$25).
