

Corvettes on the Bay Fun Show  
Saturday, June 13<sup>th</sup>, 2020  
**General Information for Participants**

Please note: This event typically sells out during pre-registration. In the event of a sellout, you can still secure your place on the waiting list by sending in your pre-registration form and check. Confirmed pre-registrations have until 31 May to withdraw. We will move names from the waiting list to a confirmed status as quickly as possible. All status changes are confirmed quickly by e-mail. Based on past experience we expect that 3-12 wait list names will eventually receive confirmed spots in the show. However, some of these changes may not take place until very near the actual show date.

**ALL REGISTRANTS WILL RECEIVE EMAIL CONFIRMATION OF THEIR STATUS, INCLUDING THEIR POSITION ON THE WAITING LIST.**

- **Registration:** Pre-registration is highly encouraged. This show may sell out in advance. The pre-registration form is available on page 2 of the show flyer. Our registration coordinator will provide you with a pre-registration confirmation number. See the link at [www.corvetteannapolis.com](http://www.corvetteannapolis.com) for the flyer. This show was a pre-registration sell-out in all previous years.
- **Show Day Registration:** Drive up registration on the day of the show **is not available if the show sells out during pre-registration.** **Prospective participants who have not pre-registered must check the Corvette Annapolis web site to determine if space will be available on Show Day.**
- **Waiting List:** Prospective Participants who submit their pre-registration form after all spots have been filled will be notified that their entry has been placed on a waiting list.
- **No Rain Date:** This show is sanctioned by the National Council of Corvette Clubs. NCCC events are conducted rain or shine to accommodate the attendees who may be coming in from throughout the East Region NCCC. There is no rain date. The show will take place, barring any non-weather related extraordinary circumstances beyond the control of Corvette Annapolis.
- **Refund Policy:** Because there is no rain date for this event, **refunds of pre-registration payments are not guaranteed after May 31.** Written requests for refunds (e-mail or U.S. mail) must be received by the Registration Coordinator by midnight, May 31, as follows: Elaine Watts, 1245 Rossback Rd, Davidsonville, MD 21035, or [ewatts1973@comcast.net](mailto:ewatts1973@comcast.net). In the event that Corvette Annapolis has to cancel this event due to an extraordinary circumstance beyond its control (not weather related), then pre-registration fees will be refunded.
- **General Information about the Show Site:** This show will be conducted at the City Dock area of downtown Annapolis. Space is limited. Corvette Annapolis is balancing the desire to accommodate as many participants as possible with the need to protect participants' vehicles. Please bear with us as we balance these priorities. The official address is: 1 Dock St, Annapolis, MD 21401
- **Make this a Destination Weekend:** If you will be attending the show, consider spending the weekend in Annapolis! This city is one of the most popular tourist spots on the East Coast. The downtown area is full of terrific restaurants, pubs, shopping, and historic sites and tours, including the U.S. Naval Academy. All are within a short walk of the downtown/City Dock area and the downtown parking garages. Go to [www.visitannapolis.org](http://www.visitannapolis.org) for more information on how to plan your getaway weekend.

- **Multiple Entries by Individuals:** In order to allow for maximum participation in the Show, at this time Corvette Annapolis is only accepting one entry per individual driver. Multiple registrations may be permitted at a later date, depending on availability. (Event sponsors are permitted multiple entries).
- **Trailered Entries:** The City Dock area can accommodate an entry being delivered by trailer. Unloading must be accomplished quickly since there is limited space and turning areas are tight. There is no space for leaving trailers in the downtown vicinity during the show. Entrants will have to make their own arrangement to deliver their trailered vehicle/s and then remove the trailer/s.
- **Food and Beverage:** There will be no vendors at the show site. However, there are a multitude of restaurants, eateries, ice cream shops, pubs, and bars located around the show area. *Entrants are highly encouraged to enjoy the tastes the downtown area has to offer throughout the show, and afterwards.* In addition, entrants are permitted to bring their own food and non-alcoholic beverages.
- **Alcoholic Beverages:** NCCC rules prohibit consumption of alcoholic beverages at the show site.
- **Bathrooms.** Public Mens and Womens restroom facilities are available at the City Dock next to the Harbor Master office.
- **Show “Judging”.** This is a Fun Show, not a concours style judged show. All awards will be determined by participant’s votes. See [www.corvetteannapolis.com](http://www.corvetteannapolis.com) / Classification Guide for more info.
- **Proceeds to Charity:** The majority of the proceeds from this show will go to supporting the Corvette Annapolis Unrestricted Endowment Fund at the The Arc of the Central Chesapeake Region. Go to [www.thearcccr.org](http://www.thearcccr.org) for more information about this outstanding community support organization.
- **Spectator Crowd:** Annapolis City Dock is a very popular summer tourist destination. We expect a large crowd of pedestrian spectators to visit this show. Please be vigilant during the show.
- **Timeline (tentative):**

9:00 AM	Gate Opens
9:00-11:00	Registration
11:00	Drivers Meeting
11:00-1:00	Voting
1:30	Awards Presentation
- **Arrival Time:** Participants do not need to arrive precisely at 9 AM. We will be prepared to stage cars into their parking areas by classes as quickly as possible. However, there is a possibility of creating a traffic jam if too many cars show up right at 9 AM. There will be plenty of time to park, register, and shine up your car prior to the beginning of the voting.
- **General Information for Sponsors:** Corvette Annapolis is accepting private, business, and corporate sponsorship donations to help offset the cost of producing this event, and to increase the funds available for donation to The Arc of the Central Chesapeake Region. Sponsors are invited to provide promotional materials to be handed out as part of the packets that will be provided to all registered participants and/or displayed on tables in the registration area. Sponsors will be acknowledged on the sponsorship banner displayed at the show. Sponsors at the \$500 level and above will be offered space to set up a pop-up canopy (must be supplied by the sponsor and cannot be larger than 8’ x 8’) at the show for their own promotional opportunity. Sponsors at the \$500 level and above have the option of splitting their contribution into two equal payments: Corvette Annapolis, and The Arc of the Central Chesapeake Region. Checks written to the Arc will be acknowledged in writing by the Arc.

- **Corvette Annapolis Registration Coordinator:**  
Elaine Watts, 1245 Rossback Rd, Davidsonville, MD 21035, [ewatts1973@comcast.net](mailto:ewatts1973@comcast.net)
- **Corvette Annapolis Liaison to The Arc of the Central Chesapeake Region (Arc CCR):**  
Marianne Emond, [mmond54@yahoo.com](mailto:mmond54@yahoo.com)
- **Show Co-Chairs:**  
John Rutemiller  
Steve Schindler
