**Frank & Debbie Cimba thank you for such a educational & knowledgeable day! I know so many questions were answered in a term that the women truly did understand. Each & everyone of us truly appreciate this day!**

**Cimba's Car Care for Cuties & Guys, too! It was held on Saturday, May 4th at Frank & Debbie's Cimba's Garage in Centreville, Maryland. Frank & Debbie had graciously offered to host this event. Frank answered any questions we had about maintaining our vettes. This time, the gals were able to ask him what they want to know first, and the guys will also have a chance!**

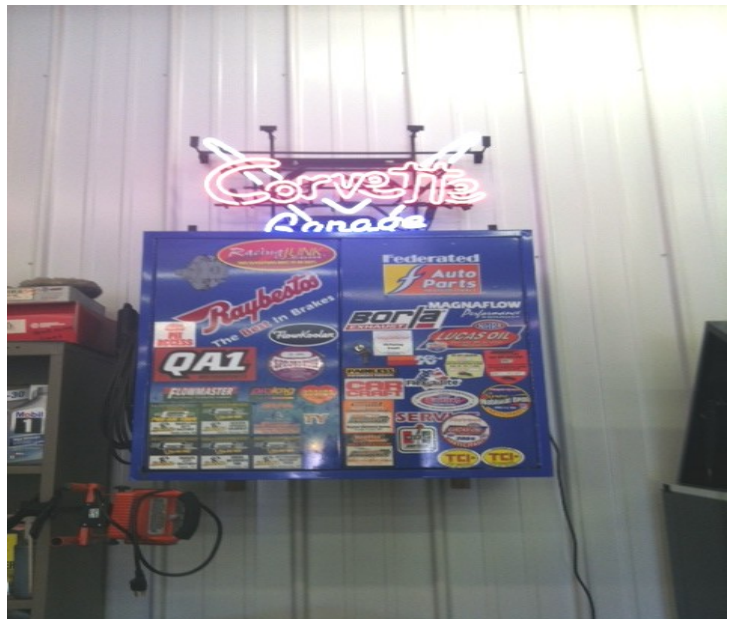

**Thanks to everyone who brought treats and sweets for this great occasion. I hope Frank will consider doing this again. Maybe the next lesson Franks does can be teaching us how to change a tire. I know a lot of us women would love to learn how to change a tire.**

A Great Thank  
You!  
Well deserved to  
the Cimbas!

## The Masthead at Pier Street Marina.

After this great day at the Cimbas everyone caravanned to Oxford, MD for dinner at The Masthead at Pier Street Marina. Oxford is a very quaint town, known for its long -standing history with the watermen of the Chesapeake Bay. We all loved the nice relaxing and beautiful view of the Chesapeake Bay!

Frank & Debbie  
Cimba. What a  
awesome day!

# Corvettes on the Bay

On Saturday, June 15, Corvette Annapolis held it's 3<sup>rd</sup> annual **Corvettes on the Bay** car show. By all accounts, the show was the most successful to date with an estimated 101 cars in registration and we provided a check to The Arc of the Central Chesapeake Region for \$3,200. Again, we were blessed with wonderful sunshine, blue skies and sold out registration. Highlights of the show included the brand new 2014 C7 Corvette Stingray on display courtesy of Ourisman Chevrolet; and several museum quality cars, courtesy of Jerry Brewis. Corvette Annapolis continues to receive positive feedback that our shows are efficient and well organized.

Writing on behalf of all members, we extend special thanks to the Show Committee, Pete Klein, Nancy Klein, and Carroll Hynson for their time in putting this show together and working with the City Council. We would also thank all sponsors of the show: Severn Savings Bank, Bay Country Financial Services, Image Power, Long & Foster Realty/Dave Schulman, and Digital Protection Services. Inc.

Thank you Elaine Phillips for this article. I really appreciate you taking the time to write this and for thanking everyone as well as the sponsors who truly do deserved this recognition.

## Corvette Annapolis Picnic August 10th @ Quite Water Park

We would like to say thank you to Janice Williams for taking care of all the arrangements for our annual picnic. Weather, location, food and entertainment was excellent! It was a great time to catch up with everyone, enjoy & relax! Adams Ribs was a wonderful choice for catering. It seems like everyone truly enjoyed! After the picnic some of us stuck around to be entertained by the US Naval Academy Wind Ensemble Band for a instrumental concert. This was a great time to set our chairs up and enjoy the wonderful music performed by the men & women who serve our country. It was an honor to be entertained by such a talented group.

Thanks to everyone who brought desserts! I think we had plenty of delicious sweets to choose from. If you missed this event this year, hopefully we will do again next year!
