As early travelers arrived in Annapolis, MD by ship they were met by a horse drawn carriage. Once their belongings were unloaded from their ship they would proceed up Main Street to West Street and travel to Baltimore, Philadelphia, and over time to Washington DC. Over the years West Street has evolved, yet in many ways is still the gateway from downtown Annapolis to the major highways of today. To respect the rich history and traditions of West Street Annapolis the name of the Corvette Annapolis car show called "Carriages on West Street" was born.

Please join us on Sunday, August 13, 2023, from 9:00AM to 1:00PM at West Street Annapolis, MD to celebrate the history of West Street Annapolis and appreciate the modern-day high performance "Carriages" of today.

Entrance Fee for all car show participants is \$55. Limited to the first 85 participants that register.
